NUMBER 20

## HON. MARION F. POGUE UNANIMOUSLY CHOSEN AS DEMOCRATIC NOMINEE

To Represent the Counties  
of Crittenden and Liv-  
ingston in the Next  
General Assembly  
of Kentucky.

ELECTION NOVEMBER  
SECOND, 1909.

Mr. Pogue Has Done Much Good for  
the Schools of Crittenden Coun-  
ty—A True Christian Gen-  
tleman.

Marion Forrest Pogue was born  
October 18, 1867, and reared on a  
farm; was educated in the common

HON. MARION F. POGUE.

schools of the county and Marion Academy and Normal School, from which institution he finished the Teachers State Certificate course in 1887. He has since been continuously teaching in the public schools; more common school graduates having been sent out from his schools than from any other rural district of the county. While he has laid aside the work of teaching now to devote his time to store and farm, he still has the educational work of the county at heart, and perhaps no one in the county is more conversant with the needs of the rural schools than he, having given nearly a quarter of a century of the best of his life to the work.

He has held many places of public trust, to the satisfaction of the public which he served. He was postmaster 12 years, Deputy Clerk, Election Commissioner, Representative and for six years Assistant Clerk in the House of Representatives, having in races for the latter office, defeated some of the most popular Democrats in the state, in party caucuses.

While a member, as chairman of the committee on Mine and Mining he was enabled to forward several measures for the benefit of laborers in mines and on public works.

He believing that the best people should always take a hand in government, has been a close student of political economy, and takes active interest in politics. He is at present chairman of the Democratic county committee, being the first Chairman of that party for many years selected from the county.

As a legislator he has been enabled to see the need of organization and cooperation among the agricultural classes to shield them from the attacks of corporate greed; therefore he has always allied himself with the

farmers organizations, being president of Frances local A. S. of E., and chairman of his magisterial district in the stemming district Association.

Letter From Los Angeles, Cal.

Los Angeles, Cal., Sept. 2  
Editor Record-Press:—I have thought many times of writing and giving you a sketch of Los Angeles, California, though I can't do it justice. I can say, however, it is one of the healthiest and loveliest places in the world. It is the garden spot of the world. We can raise garden products all the year round. The grass is always green and the flowers bloom all the time. We have no rain except during the winter season. The days are warm from about 2 o'clock until about 5 in the evening, then it is cool and one can sleep nicely—a great improvement on Kentucky. I like old Kentucky, but don't think I should care to ever make it my home again. I have relatives there that I should like to visit—my father, Stanton Pierce; my brothers, Judge Pierce, Ahart Pierce and George Pierce.

I have also other friends there I should like to see, but I hardly expect to ever visit Kentucky, for I am getting old; but I often think of my dear friends and relatives there and live in hope of seeing them some time in the future.

Mrs. Mary Ralston.

## TO THE VOTERS OF CRITTENDEN AND LIVINGSTON COUNTIES

In accepting the nomination for a seat in the Lower House of the next General Assembly of Kentucky, by the unanimous vote of my party in convention assembled, I am indeed grateful for the expression of confidence reposed in me; the more so, because the nomination comes to me entirely unsought, and I feel also an endorsement of my course in the House as your member in the session of 1902.

I speak from experience when I say, that in undertaking to serve you, if elected, that I will do so at a sacrifice to my professional and business interests: but as the banner has been placed in my hands I shall do every thing honorable within my power to carry it to victory.

I feel that my experience as your member one term and three terms as clerk of the House qualifies me, to some extent, to make you a more efficient Representative, than when I first served you without any knowledge whatever of practical legislative work.

If you honor me again I shall strive to make you an honest and faithful member; striving to make laws fair and equitable alike to all. And endeavor at all times to reflect the will of my people on all questions of public interest.

I shall stand for temperance and sobriety.

I shall stand for a law that will stop "blind tiger" and "boot legger" from invading our territory, which by our votes we have said shall be dry, and vending his vile poison to our youth, thereby disturbing the peace and tranquility of neighborhoods, and religious and other lawful assemblies, even if it takes the prison stripes to do it.

I feel that the present Trustees

law and school system passed by the last General assembly is unjust, unfair and unsuited to the requirements of our people; therefore, if elected I shall vote and work for its repeal.

I stand for laws that shall be respected by all classes alike; believing that law and order can only be maintained by a fair and impartial administration of the laws of the land.

If you can give me your support, I shall appreciate it, and endeavor to give you no cause for regret at having done so.

I am your obedient servant,

MARION F. POGUE.

### Disgraceful Affair at Frankfort.

Frankfort, Ky., Sept. 4.—In a brawl followed by the most terrific riot ever known in this city between militiamen and civilians, Sergeant Ingram Tate, of Somerset, Ky., of Company G, Kentucky state guards, and Jeff Cook, a civilian, were killed and William Nichols, Joe Conway and Alex McNally were probably fatally wounded.

The riot began in the Paradise saloon in the "Tenderloin" section. Private Wm. Phillips and C. E. Toadevine, of Company G, who were standing near Tate when he was killed, identified Joe Nichols, who is under arrest with eighteen others as the man who fired the shot that killed Tate.

The house was almost shot to pieces by the troops in their efforts to gain an entrance to lynch the man suspected of killing their comrade.

For more than an hour eighteen men held the fort against the regiment. As the shooting continued the residents in that section retreated to the cellars for safety.

Every person who attempted to

leave the neighborhood was halted with bayonets in an endeavor to find the men who started the riot.

Col. J. E. Allen, commanding the Second Regiment, County Judge James H. Polsgrove and Chief of police Mangin accompanied by soldiers searched the building. They found the men huddled in the top story. They were taken to the jail, which is being guarded by soldiers to prevent a lynching.

Taylor & Cannon, composing one of the most progressive dry goods

stores in Crittenden county, have returned from the markets and their immense line of fall and winter goods are now rapidly coming in. The row of boxes already emptied and stacked up outside from the recent shipments, measures forty feet long and seven feet high. This gives the public some idea as to how they bought goods this time, and new shipments being received every day. This big store is full up stairs and down and with the freshest and most carefully selected stock to be found anywhere.

### Senator P. S. Maxwell Returned

Senator P. S. Maxwell has returned from a several weeks visit to his niece and nephew at Ardmore, Okla. and looking much rested and improved from his short sojourn in the great West. Senator Maxwell said he found everybody in fine spirits in that growing western town and as a whole, was very much pleased with his trip.

## MARION GRADED SCHOOL OP- ENED MONDAY

With Good Attendance—Opening Ex-  
ercises were Conducted by Rev.  
Johnson of the Southern  
Presbyterian Church

Marion Graded School opened Monday morning with a good enrollment. The opening exercises were conducted by Rev. Thomas C. Johnson of the Southern Presbyterian church, who, after some soul-stirring songs by the High School girls, made a very appropriate talk to the children and their parents.

Prof John P. King made a splendid talk to his pupils, their parents and to the teachers. His talk was wholesome and if adhered to will make a good school anywhere. Before closing his talk he said he believed as a charity game of ball was to be played in the evening for the benefit of a deserving young man who had been afflicted with typhoid fever for more than 80 days, that it would be proper to have no school in the evening in order that all might have a chance to aid in swelling the fund. Rev. Dr. Johnson said that was right and that he thought the children should have also a half holiday on Friday for the big show, which met with hearty applause from every one of the five hundred children present.

The deep interest shown in the school was the great number of the patrons present and all in a cheerful mood. Prof. King has the school well organized and in good working order, with efficient teachers and every teacher at his or her place.

### The Street Parade.

The great street parade of the great Robinson shows will take place at 10 o'clock today and will pass by the school for the sole benefit of the children.

### T. J. Yandell Home Again.

Mr. T. J. Yandell, the popular Cashier of the Marion Bank, returned Tuesday from Evansville, Indiana, where he had been for the past week recuperating his health. During his absence his position was alternately filled by Pres. Jno. W. Blue and H. K. Woods. Mr. Yandell is looking well and says he feels his trip to have done him a world of good.

Henry Stone pays cash for his goods and sells them the same way. It is the best way. Try him and you will be convinced.

### N. P. Taylor For Mayor of Henderson

Hon. N. Powell Taylor has been nominated by the citizens of Henderson for Mayor and if elected, will make the flagrant law breaker hard to catch. He has served for a number of years as county attorney and it is safe to say the county never had a better one.

### Tom Clifton Very Low.

The condition of Mr. Tom Clifton, who was stricken with paralysis last Saturday, is yet very critical—in fact, no change for the better. He is yet unable to move and is still speechless. He is in a pitiable condition and his good wife, with her three little ones, has the sympathy of the entire town.

If you are looking for bargains and want the best to be had, go to Henry Stone. He has the best all around stock of dry goods and shoes to be found anywhere and is selling them at a great reduction.

### James Rutter Pardoned.

Attorney A. C. Moore has just returned from Indianapolis, Ind., where he went before the State Board of Pardons in behalf of James Rutter, colored, who was tried and convicted of murder in the Posey circuit court of Mt. Vernon, Ind., and sentenced to the penitentiary for life, in 1900. Mr. Moore succeeded in getting a pardon for him. James Rutter is the son of Henry Rutter, a respectable old negro who lives in this county.
